IOC Circular Letter No. 2728
(English only)

IOC/IODE/PP
27 August 2018

To : Official National Coordinating Bodies for liaison with the IOC

cc Permanent Delegations to UNESCO of IOC Member States
National Commissions for UNESCO of IOC Member States
IODE National Coordinator for Oceanographic Data Management
IODE National Coordinators for Marine Information Management

Subject : **Nomination and/or updating of details on IODE National Coordinators for Oceanographic Data Management and IODE National Coordinators for Marine Information Management**

As we are preparing for the 25th session of the IOC Committee on International Oceanographic Data and Information Exchange (IODE)—to be held in Tokyo, Japan on 18–22 February 2019 (a separate circular letter will be issued shortly), the Secretariat needs to receive confirmation, update or nomination of designated IODE contact points. The lists of current IODE national coordinators for oceanographic data management and for marine information management can be consulted on-line at respectively <http://www.iode.org/nc-dm> and <http://www.iode.org/nc-mim>.

I would appreciate it if you could inform Mr Peter Pissierssens, Head of the IOC Project Office for IODE by e-mail (p.pissierssens@unesco.org) of any changes in name, function, address or e-mail of your coordinators **not later than 1st September 2018**. In the event there is no national coordinator for IODE recorded for your country, consider this letter as an encouragement to engage in the programme by nominating your national coordinators. Thanking you in advance for your cooperation, I remain,

Yours sincerely,
