## Local Connections and Transportation:

### Getting around:

Uber is a very popular way to get around the city and it is very affordable. You can also make use of the MyCiti bus system around the city (<https://www.myciti.org.za/en/home/>).

### Airport Transfer:

#### Bus:

The MyCiti Airport Shuttle (0800 65 64 63; [myciti.org.za](http://myciti.org.za)) is the cheapest option at about R 90 (6 USD) if you include the activation fee for your card (2.5 USD). However, there is no direct route from the airport and you'll need to change buses or catch a cab from its drop off point at the Civic Centre in town. Tickets are on sale at the kiosks in both the Civic Centre and Airport bus stations. Buses leave every 20 minutes from both destinations; the trip takes about 20 minutes; 45-55 minutes during rush hour.

#### Shuttle:

It is often best to book your shuttle prior to flying. I advise centurion shuttles ([www.centuriontours.co.za](http://www.centuriontours.co.za)). They are very good and also very affordable. A transfer from the airport to the venue will cost you about R 190 (13 USD) for one person and then R 30 ( 2 USD) extra for additional passengers (<http://www.centuriontours.co.za/transfers.html>). You can book by sending an email to [info@centuriontours.co.za](mailto:info@centuriontours.co.za), Central Reservations: Daily 07h00 – 23h00, 24/7 assistance: 27 (0)82 472 6216. They have a kiosk in the airport and you can also just arrive and ask for a shuttle, you might just need to wait a bit longer.

#### Hotel shuttles:

Most hotels will offer you a shuttle service at a cost superior to that of the airport shuttle service.
