# Member State Report for MALAYSIA

Intersessional Meeting of the ICG/IOTWMS 23-24 November 2021

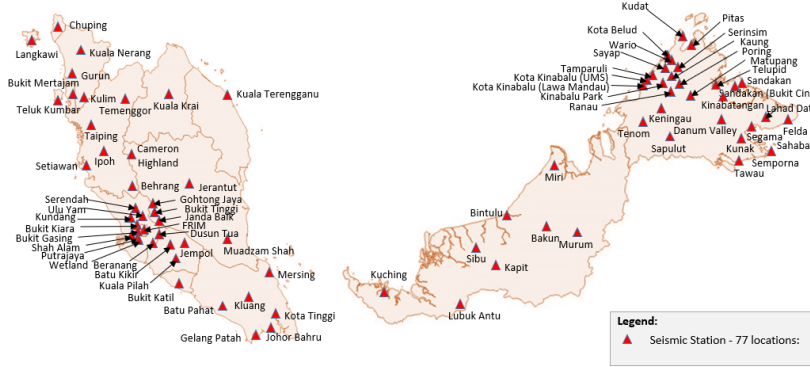

# Activities

SUMMARY ACHIEVEMENT	YEAR 2006 - 2019	
	Total Programmes	Total Participants
Public Awareness Programmes/Campaign	87 sories	20,172
Tsunami Drill Exercise	19 sories	19,776

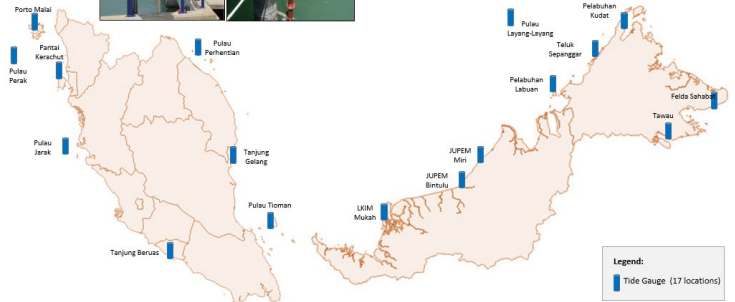

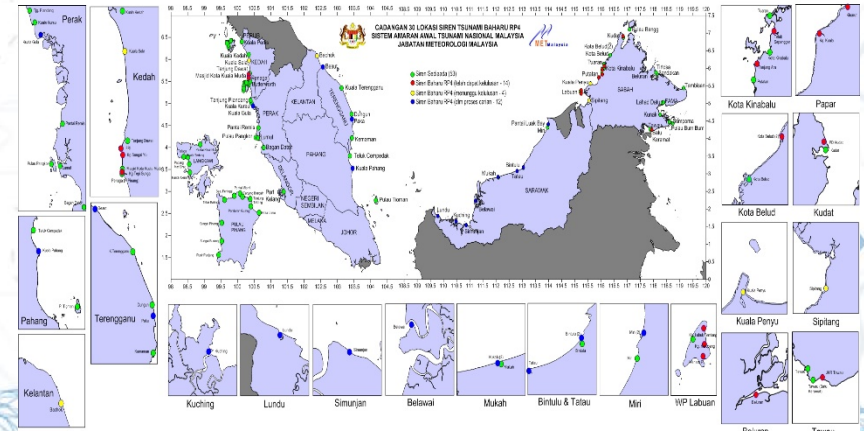

# Seismic Stations (77)

# Tide gauge network (17)

# Siren network (53)

# Future Plans

- Ongoing/Under development - 3 seismic stations
- 2022-2025 – under planning – 6 seismic stations

## Issues

- Pandemic – maintenance and operations
- Cost – infra
- Human capital development – intermediate and advanced training
- Vandalism – remote stations are highly susceptible
