IOC Circular Letter No 2903
(Available in English only)

IOC/VR/BA/ah
26 August 2022

To : Registered SCSTAC focal points and Tsunami Warning Focal Points of the following countries: Brunei Darussalam, Cambodia, China (People's Republic of), Indonesia, Malaysia, Philippines, Singapore, Thailand and Viet Nam

Cc. : Corresponding Official National Coordinating Bodies for liaison with the IOC
Corresponding Permanent Delegates/Observer Missions to UNESCO and
National Commissions for UNESCO
Director, Pacific Tsunami Warning Center
Director, International Tsunami Information Center
IOC Tsunami Unit

Subject: Notification and Instructions regarding the South China Sea Tsunami Advisory Center (SCSTAC) Communications Test for the Registered SCSTAC Focal Points on 13 September 2022 at 0600 UTC

By this letter, I wish to notify that the South China Sea Tsunami Advisory Center (SCSTAC) will conduct a communications test on **13 September 2022 at 0600 UTC** to verify that the communication channels between the Centre and the recipient organizations of its tsunami advisories in the above-mentioned countries and territories of the South China Sea region are operating properly.

The concerned Tsunami Warning Focal Points (TWFPs) should expect to receive the test message within a few minutes of issuance through all their designated communication methods. These may include:

1. Global Telecommunication System (GTS) using the World Meteorological Organization product header WESS31 BABJ, the same product header used by SCSTAC to issue an advisory
2. E-mail – sent by tsu@nmefc.cn
3. Telefax – sent by SCSTAC.

The concerned national Tsunami Warning Focal Points (TWFP) should verify that the test message is received by all of their designated communication methods. TWFPs are requested to complete and return the acknowledgement form attached hereafter by Telefax to +86 10 6217 3638, and/or by e-mail to tsu@nmefc.cn. Prompt responses (preferably by 0700 UTC on 13 September 2022) are highly desirable. The results of this communication test will be processed by SCSTAC.

Chairperson

Mr Ariel Hernan TROISI
Technical Secretary

Halieutique (INRH)
02, Boulevard Sidi Abderrahmane
Ain Diab
20180 Casablanca
MOROCCO

Please note that the communication test will be postponed in case actual tsunami advisories are taking place in the South China Sea region or if a serious event (non-tsunamigenic as well) is occurring in/or around the Pacific Ocean, which requires the full involvement of the China National Marine Environmental Forecasting Center (NMEFC) operators. In the event, the test will be carried out on 15 September 2022 at 0600 UTC.

Ensuring the operational functionality of all communication methods is critical to the effectiveness of the Pacific Tsunami Warning System (PTWS) in the South China Sea region. We count on your full participation in the test.

With assurances of my highest consideration, I remain,

Yours sincerely,

[signed]

Vladimir Ryabinin
Executive Secretary
