Standard Guidelines for the Tsunami Ready Recognition Programme

UNESCO

Standard Guidelines for the Tsunami Ready Recognition Programme

A Tsunami Ready recognition does not imply approval or confirmation that a community can or will perform at a certain level in case of a tsunami. Tsunami Ready recognition does not mean that a community is tsunami proof; it is rather an acknowledgment and recognition of the measures adopted by the community to cope with their tsunami risk.

Tsunami Ready

**(Community Name)
(District name)
is Tsunami Ready**

**IN CASE OF STRONG
OR LONG EARTHQUAKE
OR ANY OFFICIAL MESSAGE,
GO TO HIGH GROUND OR INLAND**

 
unesco (add Country organization logos here)

This recognition does not imply promise that a community can or will perform at a certain level in case of tsunami. Tsunami Ready recognition does not mean that a community is tsunami proof, it is rather the acknowledgement of the mitigation measures adopted by the community to cope with the tsunami risk.
