- OBPS Workshop VI

The Year 2022

- Expanding Disciplines (aquaculture, modeling)
- Expanding Organization engagement (e.g. OOI, INVEMAR, Arctic)
- Ocean Decade –
 - Continuous contribution via various Programmes (GOOS CoastPredict, GOOS Co-Design, Marine Life 2030, OASIS, Others)
 - OBPS workshop, etc;
 - OBPS Ambassador program (see right) - led by Cora and Rebecca

Josephine Edward
Namibia

Talen Rimmer
Canada

Laura Khatib
Lebanon

Sundar Ranganathan
India

Carlotta Santolini
Italy

OBPS 2022-23 – continuing our core work

- OceanPractices broadly supports Ocean Decade
- Expanding work with developing nations, remote regions and Indigenous Peoples
 - Africa, Arctic, South Pacific
- Building out the value chain – modeling, applications
- Broader inclusion of ECOP
 - In OBPS leadership roles, as ambassadors for best practices
- Federated Network of methodological management systems

OBPS Workshop VI Oct 5-19 2022

2023 Opportunities

Each day begins with a plan

The Year 2023 – Opportunities and Challenges

- Funding and AISBL
- OBPS Impact Assessment
- Leadership Transition
- OceanPractices
- Search Interface upgrades
- Federated Network Pilot
