Oceanographic
Commission

Objectives:

1. Provide a background and build awareness of tsunamis
2. Detail the media's role in the national tsunami warning chains
3. Promote Exercise IOWAVE23 as an opportunity to raise community awareness and test media SOPs
4. Begin conversations around 20 Years Commemoration of 2004 Indian Ocean Tsunami in late 2024 (Global Symposium and 14th session of ICG planned for Indonesia in Nov24, national activities, etc)
