

Session 2: NFPs across the world

NFPs across the world

Opportunity to hear from some nations - 5 NFPs representing 5 IOC Regions

We now have 76 NFPs! Step by step invite NFPs to present their national system at future meetings

All NFPs can add a presentation on their national system to the folder (below) - enable GOOS and other regional NFPs can learn more about national ocean observing systems
