On 20 October 2023, the Technical Secretary of ICG/NEAMTWS informed you by email that the CoastWAVE Project meeting and ICG/NEAMTWS-XVIII session originally scheduled on 20–23 November 2023 in Alexandria, Egypt, was postponed due to safety and security concerns in the region. The ICG/NEAMTWS Steering Committee in an ad-hoc meeting on 1 December 2023 noted that the situation had not improved and recommended to the Secretariat to host the 18th session at UNESCO Headquarters in Paris, on 6–8 February 2024. The Steering Committee is also continuing to consider Egypt's offer to host the 19th session of the ICG/NEAMTWS in Alexandria or Cairo in November 2024.

On behalf of Professor Maria Ana Baptista, Chairperson of ICG/NEAMTWS, I am pleased to invite you to designate representatives to the ICG/NEAMTWS-XVIII session. Elections of the Officers of the ICG

The Eighteenth Session of the Intergovernmental Coordination Group for the Tsunami Early Warning and Mitigation System in the North-Eastern Atlantic, the Mediterranean and connected Seas (ICG/NEAMTWS-XVIII), at UNESCO Headquarters Paris, France, 6–8 February 2024, shall elect the Officers of the ICG, namely, one Chairperson and two Vice-chairpersons, for the term 2024–2025.

In establishing the ICG/NEAMTWS in 2005, IOC Resolution XXIII-14 stipulated that the ICG membership should consist of:

- Member States of the IOC within and bordering North-eastern Atlantic, the Mediterranean and Connected Seas;
- Observers from other IOC Member States;
- Invited observers from other organizations (including NGOs), programmes and projects in accordance with the IOC rules and procedures.

The current elected officers, the Chairperson and Vice-Chairperson of the ICG/NEAMTWS have completed two successive terms (4 years in total). The Chairperson and the Vice-chairpersons of a Subsidiary Body shall not remain in his/her mandate more than two successive terms (as this is the limit established for an IOC Chairperson, Rule 6. The time limit of a mandate is two years according to Article 7.2 of the IOC Statutes). The current elected Chairperson and Vice-Chairperson are the following:

- Chairperson: Professor Maria Ana Baptista, Portugal (April 2020–December 2023)
- Vice-Chairperson: Professor Costas Synolakis, Greece (April 2020–December 2023)
Only one Vice-chair position was filled in the 2020 elections.

The current Chairperson shall declare the opening and closing of each session, direct the discussions and ensure observance of the Rules of Procedure, accord the right to speak, put questions to the vote and announce decisions. The Chairperson shall rule on points of order and, subject to these Rules, shall control the proceedings and maintain order and shall strive to work by consensus (Rule 19.2).

Nominations

Nominations of individuals to either the post of Chairperson or the posts of Vice-chairpersons shall be submitted by Member States through the officially designated Head of Delegation to the ICG/NEAMTWS-XVIII, or through the IOC Focal Point in the Member State or the Permanent Delegation to UNESCO.

Nominations shall be submitted in writing to the IOC Executive Secretary using Form A (Chairperson) or Form B (Vice-chairperson) and must reach the Executive Secretary or his representative (with copy to the ICG/NEAMTWS Technical Secretary, d.chang-seng@unesco.org) preferably by 15 January 2024, 17:00 hrs CET), and at the latest on the first day of the meeting by close of business.

Each nomination shall contain a declaration from the candidate that he/she is prepared to stand for the post for which he/she has been nominated and is willing to take on the obligations that would devolve upon him/her, should he/she be elected. Each nomination shall also contain a CV with the profile of the candidate (Form C).

Each candidate must be seconded by two Member States of the ICG/NEAMTWS other than the nominating Member State.

Elections

The IOC general practice is working and deciding by consensus (Rule 19.2).

Should voting be necessary, decisions shall be made by a simple majority of the members present and voting (Rule 25.2), by secret ballot (IOC technical arrangements for the elections, item 2.2).
