North-West Indian Ocean Regional Workshops on Tsunami
Inundation Mapping and Evacuation Planning, 21-25 April 2024

Background Information

- Day/Date: Tuesday, 23 April 2024
- Time: Depart:14:15 - Return: 18:00
 - 14:00 – 14:10: Adjustment time
 - 14:10 – 14:15: Meet in the Bus
 - 14:15 : **Depart to CAA DGMet**
 - 14:35 – 15:15: Visit CAA DGMet
 - 15:15 – 15:30: Meet in the Bus
 - 15:30: **Depart to Al Hail North**
 - 15:50 - 18:00: Field Observation
 - 18:00: Return to Hotel
- Transport: Organizer will provide a bus transfer to and from the site

Site Visit Method

- The group will go together through the main street, the beach, and the school
- From the School the group will go separately, each groups will walk separately through different routes
- Participants will be divided randomly into 5 groups (9-10 persons / group).
- Each group will be accompanied by one Oman Participants and trainers to guide the participants around the area.
- The participants are to observe the situation in relation to evacuation planning
- Each group will be provided with a copy of a map of Al Haith North, you may also use own Map-Apps on your smartphones
- Participants are to return to the bus stop at 16:30 to return to hotel

Observation Guidance

Observe and Discuss Evacuation Strategy:

- Locate the **evacuation zone boundary** and discuss whether it is well placed and easy to recognize and remember.
- Observe and identify **critical areas related to the evacuation strategy**, i.e. motorway, narrow streets, bridges in case of horizontal evacuation, options for vertical evacuation, etc. Discuss how to deal with these critical areas.
- Observe and identify **facilities that need special consideration in evacuation planning**, i.e. schools, markets, mosque, clinics, etc. Discuss what would happen to these places in a tsunami incident and what can be done about it.
- Look at the **coastline** that is likely to get hit hardest, **identify the critical points** and discuss how to deal with them.

Site Visit Notes:

- The weather might be hot and humid. **Participants are suggested to bring:**
 - Hat and/or Umbrella.
 - Black/shaded Sunglass.
 - Bottled Water (for 2 hours walk).
 - Notepad and Pen.
- Participants to wear casual dress (**no shorts**) and comfortable shoes for walk.
- You can take video or photos during the visit however **not to take direct photos of the people / community.**

Group 1:

No.	Participants Name	Country
1	Dr Mahendra R.S.	India
2	Mr Janik Ram	India
3	Mr. Mehrdad Hasanzadeh	Iran
4	Ms. Donia Abdelwahed	Observers
5	Jaifar Hamed Al Busaidi	Oman
6	Ali Yousef Al Balushi	Oman
7	Mr. Shayhaq Hayat	Pakistan
8	Dr. Mehdi Masoodi	Trainer and Facilitator
9	Mr. Ardito M Kodijat	Trainer and Facilitator
10	Mr. Bader Ibrahim Alshehh	UAE
