Group Work 2

Background information and task

Session 2.3

*North-West Indian Ocean Regional Workshops on
Tsunami Inundation Mapping and Evacuation Planning
Muscat, 21-25 April 2024*

Task for Group Work 2

1. Discuss and **agree on an evacuation strategy** for your study area
2. Document your conclusions for each of the aspects in the **Checklist** provided
3. Outline **difficult-to-evacuate areas** on the topographical map
4. Locate possible **assembly areas on the topographical map** (if time allows)
5. Be **ready to present your evacuation strategy** (not more than 10 minutes presentation time!)

Checklist

Aspects	Your Findings
Evacuation Zone <ul style="list-style-type: none"> Evacuation zone outlined? 	
Evacuation Time <ul style="list-style-type: none"> Minimum ETA for your area? Total time available for evacuation? What will trigger evacuation? 	
Type of evacuation <ul style="list-style-type: none"> Voluntary / mandatory? Self-evacuation? 	
Decision making to officially call for evacuation <ul style="list-style-type: none"> Who? Upon what information? SOP in place? How to disseminate? 	
Modes of evacuation <ul style="list-style-type: none"> Horizontal and by what means (On foot, bike or car)? Vertical 	
Assembly areas <ul style="list-style-type: none"> What type? Location? Capacity (No. of people)? 	
Difficult-to-evacuate areas <ul style="list-style-type: none"> Outline locations in map 	
Support measures for vulnerable facilities <ul style="list-style-type: none"> Which facilities need support? Where are they located? 	
Traffic management <ul style="list-style-type: none"> Yes / No? If yes, at which points?

How to proceed for Group Work

- Available **time**: until 11:30 am (80 minutes) including coffee break (flexible)
- Select a **moderator** from your group. The moderator will guide the group work making sure that tasks will be accomplished and timing is met. Moderator changes every day
- To each group one Trainer and participants from the TIMM group are assigned as **resource persons**. You may consult them anytime
- Group work might be done in local **language**. However, consultations with trainer and documentation need to be in English

THANK YOU
