Roles of Stakeholder and Facilitator in TEP

Session 3.6
By Harald Spahn and Ardito Kodijat

*North-West Indian Ocean Regional Workshops on
Tsunami Inundation Mapping and Evacuation Planning
Muscat, 21-25 April 2024*

What is the story behind this?

Evacuation Planning is a Community Affair!

Who has to be involved in the planning?

All relevant stakeholders from local government, community representatives, private sector, universities, NGOs, ...

Stakeholder involved

Identify relevant **stakeholder to involve in the TEP processes** in your Pilot Area(s) and point out...

- ...who has the **mandate to issue an official evacuation plan?**
- ...which institution will **lead the TEP process?**
- ...who should **be part of the core planning team** and who is just involved for consultation?
- ...who will provide **necessary resources** for the TEP process?

Available **time**: 15 minutes

Prepare a list with all relevant stakeholder on a flip chart paper and highlight the ones you pointed out

Role of a TEP Facilitator

National TEP WG
Capacity Assessment
Pilot Areas

**Training of TEP
facilitators**

TEP in Pilot Areas
...and beyond

You are expected to **support TEP processes** in your Pilot Areas as facilitators and resource persons. Please discuss within your group:

What kind of support will this be and how will you proceed?

Available **time**: 15 minutes. Be ready to share your findings!

THANK YOU
