Using Canva to create Tsunami Awareness materials

Create a Canva account

- Go to Canva.com in your browser. Sign up to create your personal account.
- Every time you work in Canva, log in with your account.

The image shows a screenshot of the Canva website's homepage. At the top right, the 'Log in' and 'Sign up' buttons are highlighted with a red rectangular box. A red arrow points from this box down to a 'Sign in with Google' modal window. The modal window displays the Canva logo, the user's name 'Glorymar Gomez', and the email 'glory1132@gmail.com'. It prompts the user to 'Choose an account' to continue to Canva. Below the main content, the text 'A perfect fit for everyone' is visible.

Getting to know what you can do in Canva

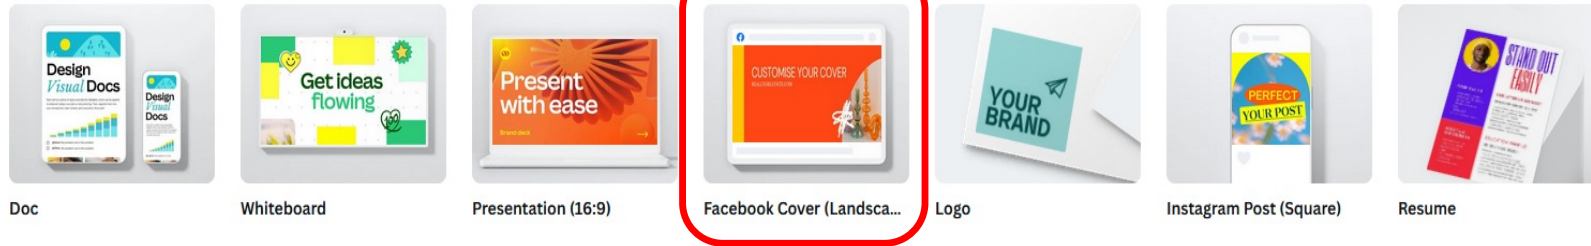

Decide what you want to do: Facebook post, Presentation, Instagram post, Business card...

By writing your design in search bar

By choosing from design options

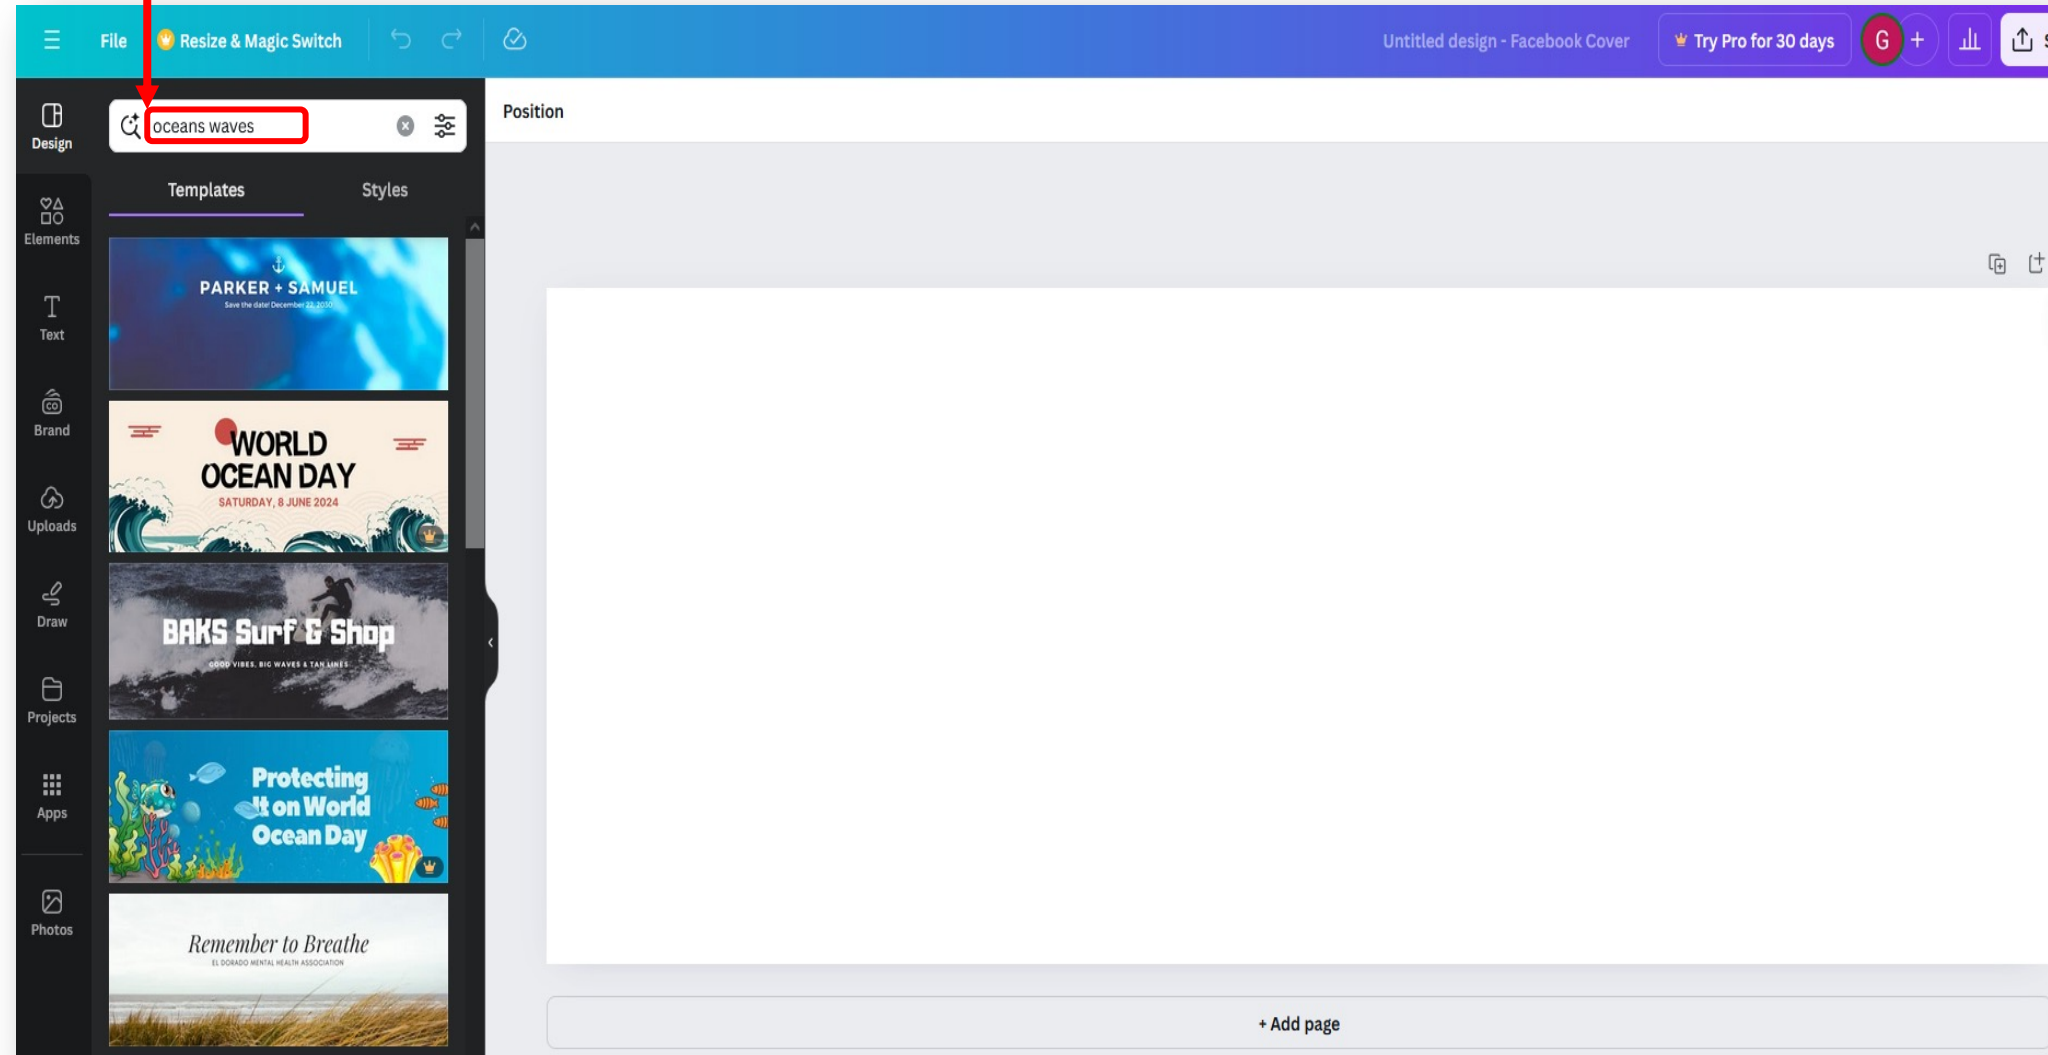

You might want to try...

OR
Choose from variety of templates

Creating your design from scratch...

- Type the theme of your post on the search bar, write up to 5 words using + between them
- A whole lot of templates will appear underneath your search selection

Click on your favorite template and it will show automatically

You can always go back using the back button, choose another template over and over...

The screenshot displays a design tool interface for creating a Facebook cover. The top navigation bar includes a menu icon, 'File', 'Resize & Magic Switch', a back button (indicated by a red arrow), a forward button, a cloud icon, and the text 'Untitled design - Facebook Cover'. On the right side of the top bar, there is a 'Try Pro for 30 days' button, a profile icon with a plus sign, a grid icon, and a 'Share' button.

The left sidebar contains a 'Design' section with a back arrow, an 'Elements' section with icons for shapes and text, a 'Text' section, a 'Brand' section, an 'Uploads' section, a 'Draw' section, a 'Projects' section, an 'Apps' section, and a 'Photos' section.

The main workspace shows a Facebook cover template titled 'blue summer natural sea Facebook cover' with dimensions of 851 x 315 px. The template features a vibrant beach scene with turquoise waves and a blue sky with white clouds. The word 'LOVE' is prominently displayed in large, white, stylized letters across the center of the image. Below the main image, there is a '+ Add page' button. The bottom of the interface shows a 'Notes' section on the left, a 'Page 1 / 1' indicator, a zoom level of 162%, and a grid icon.

Side bar menu

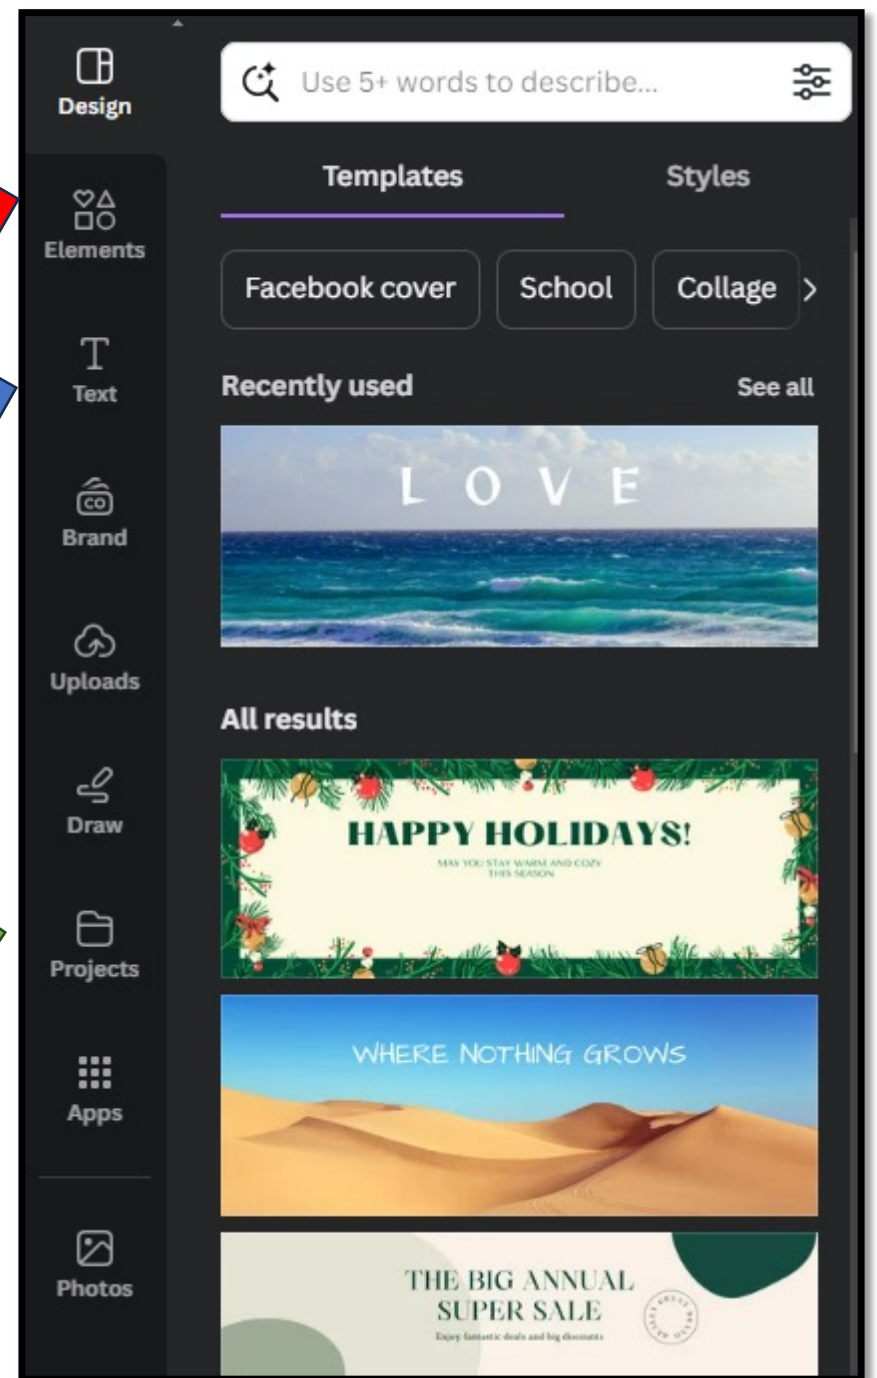

- Every icon is customizable
- Everything you can click on, and drag and drop

Elements- choose from shapes, moving stickers, charts, icons, logos...

Text- headings, styles, fonts, additional texts

Uploads- upload photos, videos, charts from your computer, Cloud, Drive...

Projects- projects shared to you, organize your Projects, create folders

Customize your design by changing every object in template

Click on the object and start your creativity going...

Choose your favorite font, text size, colors, add effects, animations, position any object

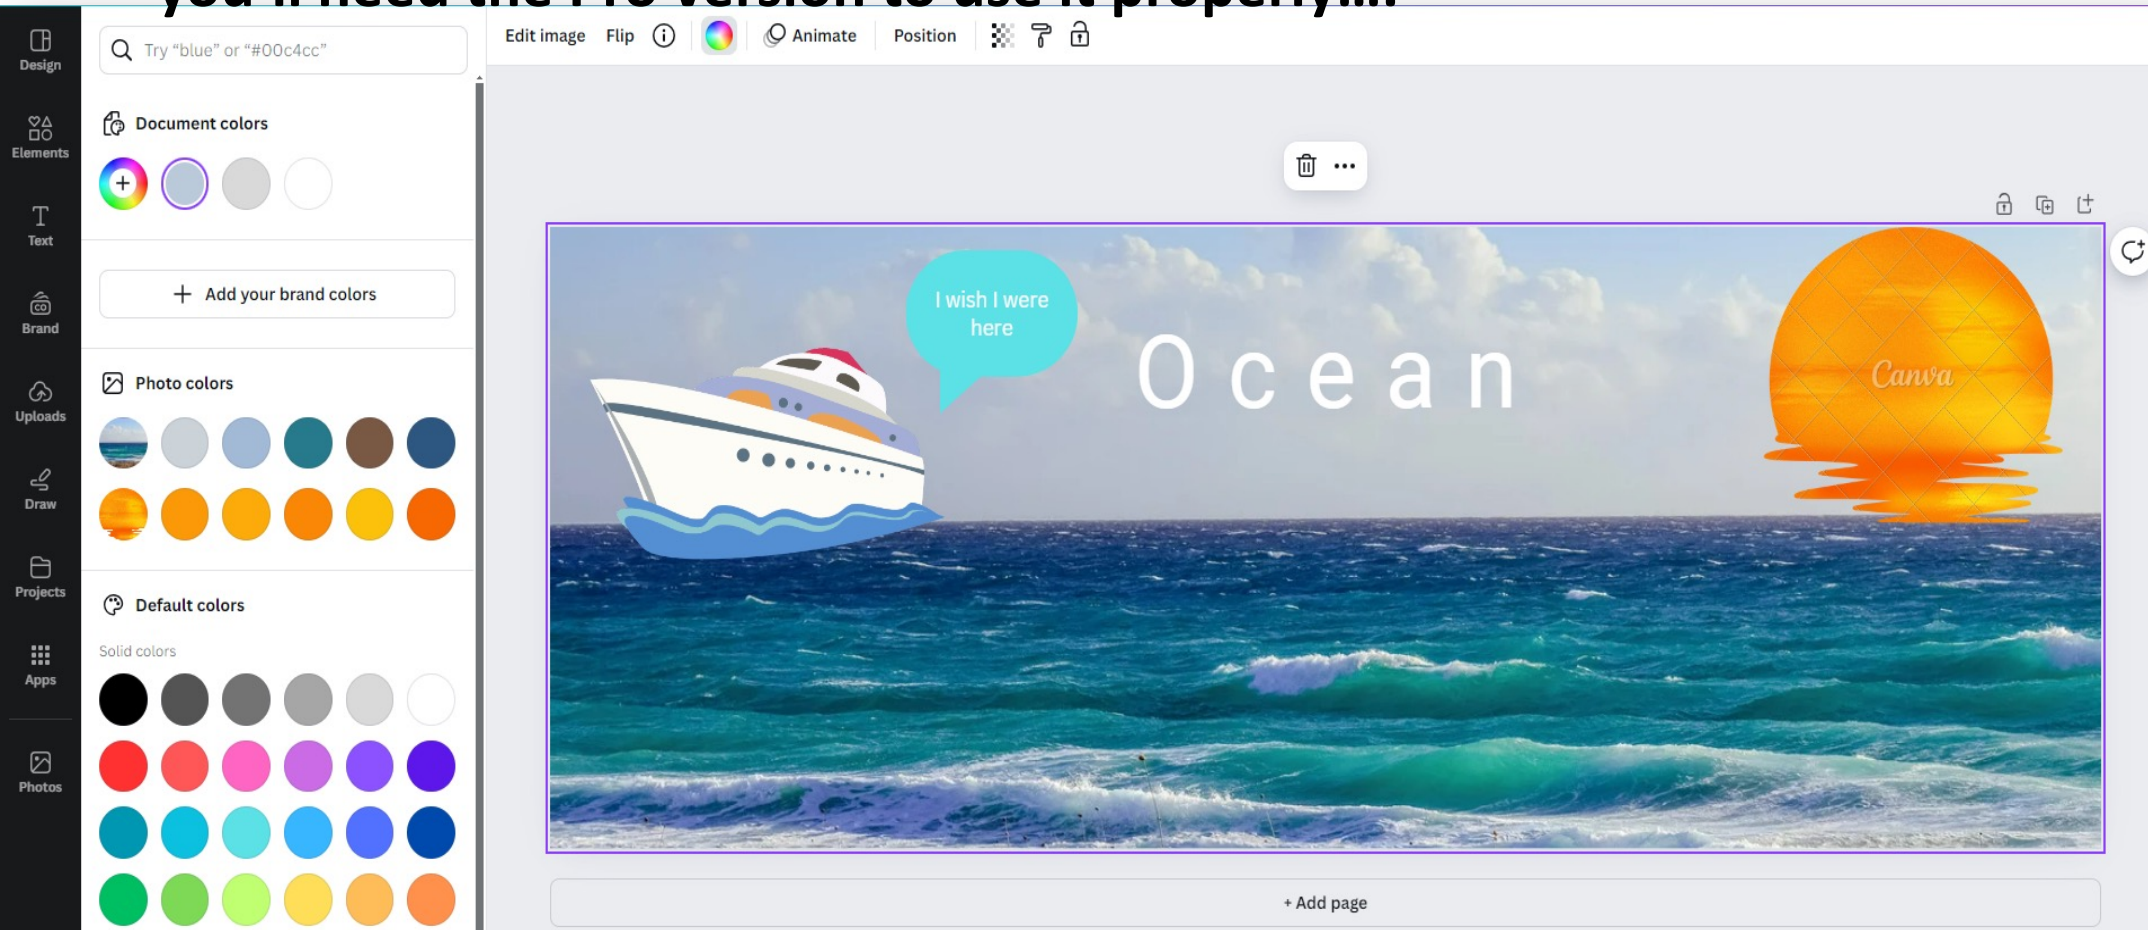

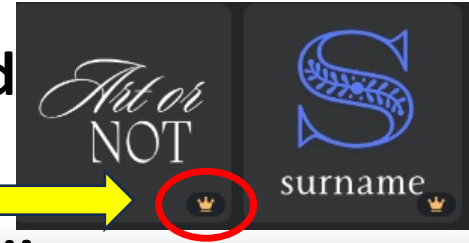

The image shows a design tool interface. At the top, a red-bordered toolbar contains various editing options: 'Font', 'Text styles', a font dropdown set to 'Roboto', a size dropdown set to '38.4', and icons for bold (B), italic (I), underline (U), strikethrough (ABC), uppercase (aA), alignment (left, center, right), effects, animate, position, and a lock icon. Below the toolbar is a search bar with the text 'Try "Calligraphy" or "Open Sans"'. The left sidebar has navigation icons for Design, Elements, Text, Brand, Uploads, Draw, Projects, Apps, and Photos. The main canvas displays a background image of a blue ocean with white waves under a cloudy sky. The word 'Ocean' is written in a white, sans-serif font across the top of the image, enclosed in a purple rectangular selection box with white handles. At the bottom right of the canvas, there is a '+ Add page' button.

Enhance your design...

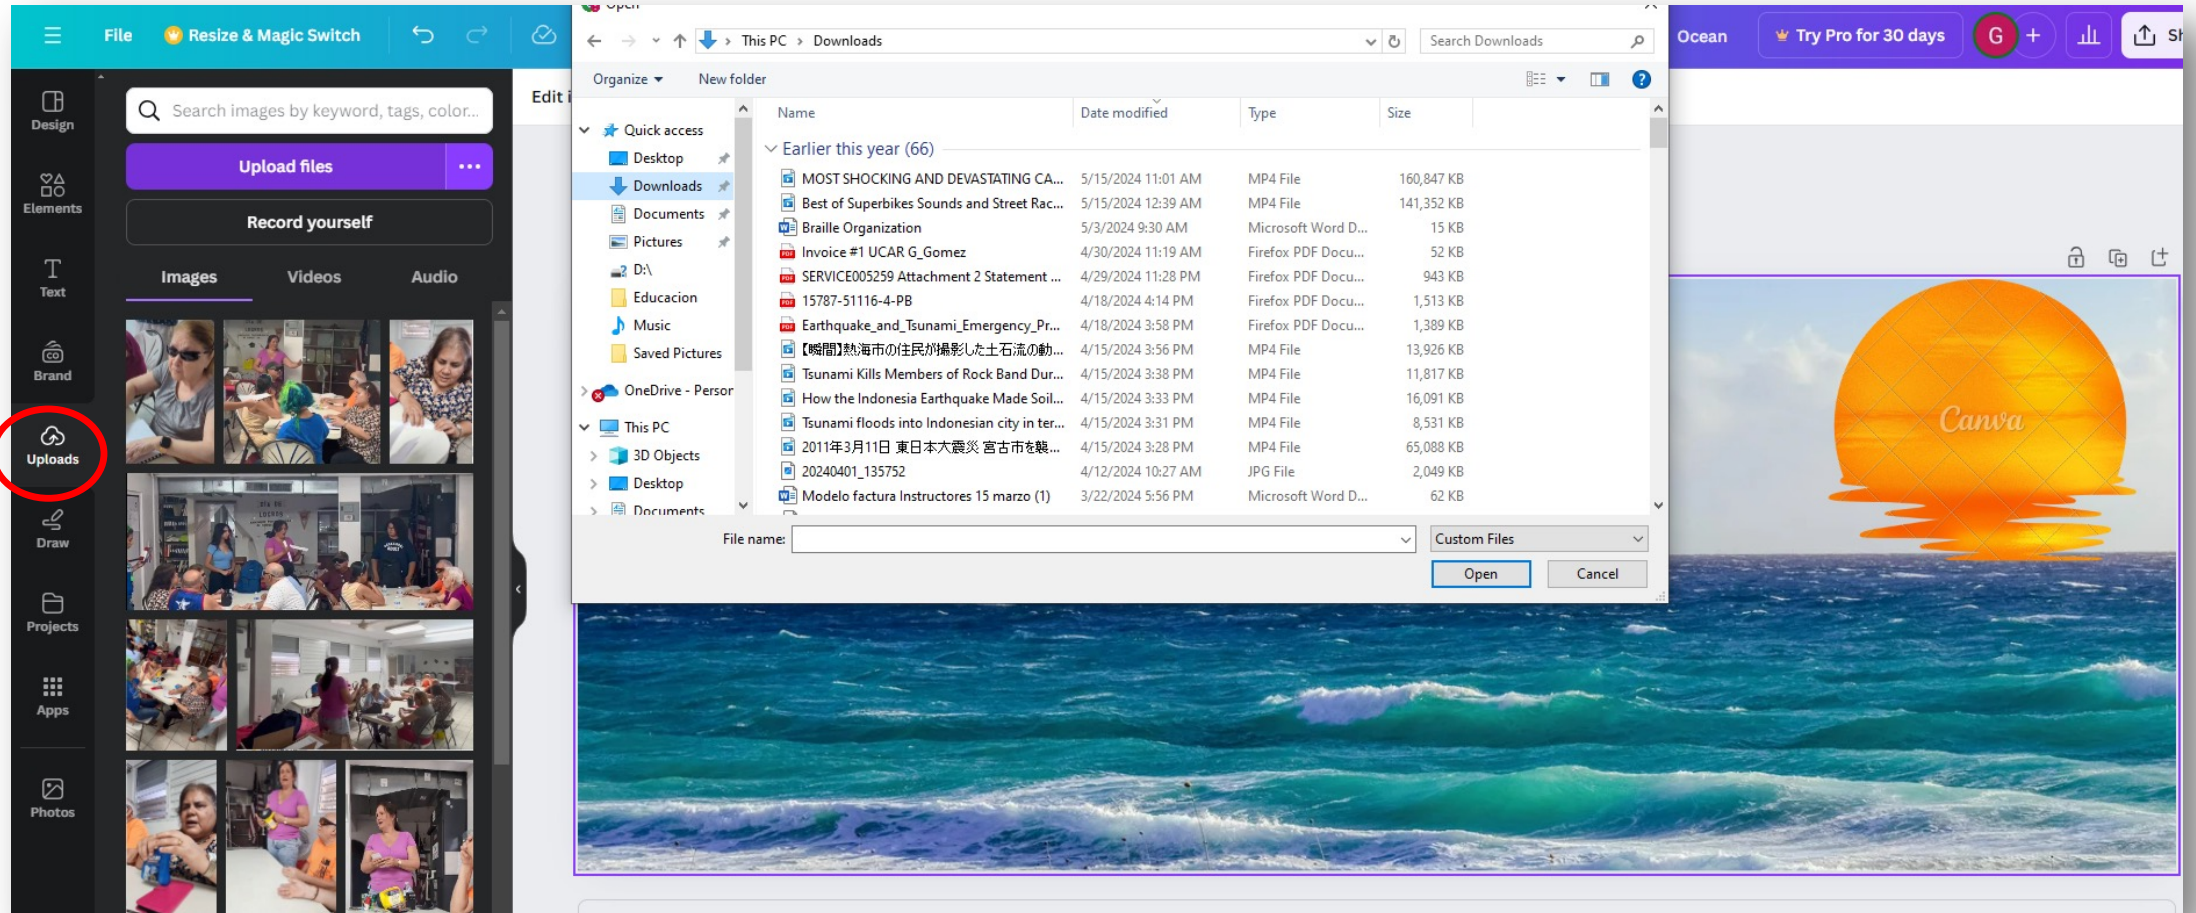

Add elements, pictures, shapes, change colors, and more.

If you choose an item with this symbol

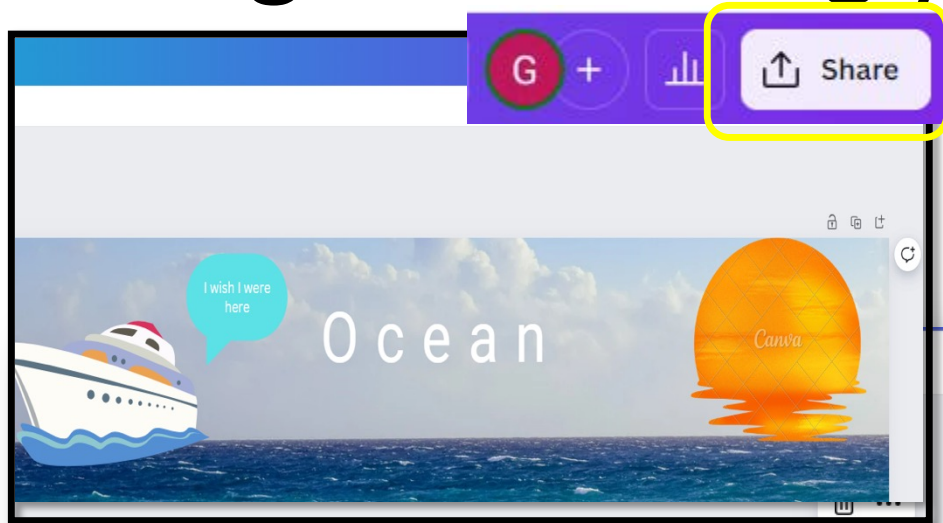

you'll need the Pro version to use it properly....

Use the upload icon to add videos, photos, charts from your computer

Saving and sharing your design
