TWO DMP-2025-02-25-04	TTWO and or Joint TT-DMP-TT-TWO to consider this issue in its work programme with the aim for developing a revised form to collect TNC/TWFP/NTWC data from Member States and agree on a mechanism that would simplify and standardize the procedures both in collecting and making this data available to TSPs and TNCs	TOWS-WG-XVIII		2026-02	DELAYED	Planned for 2027 due to budget constraints
TWO DMP-2025-02-25-05	The review of the IOC Tsunami Post-Event Assessment process and questionnaire (TOWS 2015, PAE) considering its use in the past decade, and consideration of other post-event processes undertaken for smaller events that did not meet the PAE threshold.	TOWS-WG-XVIII		2026-02	NOT STARTED	Will be discussed under Joint TT Agenda Item 5
TWO DMP-2025-02-25-06	Having a standard reporting template and platform for all ICGs, providing granularity on the number of participants with respect to the type of activity they participated in during an exercise, which would allow inter-ICG comparison.	TOWS-WG-XVIII		2026-02	NOT STARTED	Will be discussed under Joint TT Agenda Item 3
TWO DMP-2025-02-25-07	Experts (to be identified) to support the review of the three new ODTP actions for endorsement by Ocean Decade Unit.	TOWS-WG-XVIII		2026-02	IN PROGRESS	Experts reviewing. One selected expert unable to review
TWO DMP-2025-02-25-09	ICGs to develop and adopt a harmonized set of KPIs based on the GKPI, to support consistent and effective global reporting	TOWS-WG-XVIII		2026-02	DELAYED	Pending budget to recruit consultant to develop tool/platform and carry out test
TWO DMP-2025-02-25-10	Agrees to make connections with other relevant webinars (volcano among others).	TOWS-WG-XVIII		2026-02	IN PROGRESS	Technical Secretaries participated in international workshop on Volcanic Hazards within the context of Early Warning for All initiative that took place in Geneva (WMO-UNDRR Headquarter) between 7 and 9 July 2025.
TWO DMP-2025-02-25-13	Importance and value of establishing minimum tsunami warning center competencies under a global framework	TOWS-WG-XVIII	ITIC	2026-02	IN PROGRESS	PTWS - Will be discussed under Joint TT Agenda Item 9
TWO DMP-2025-02-25-14	Tsunami Glossary will be published in Quarter 1 of 2025 by the IOC.	TOWS-WG-XVIII	ITIC	2026-02	IN PROGRESS	With documentalist for publication
